Dear R&DE,

Please join me in celebration of R&DE’s commitment to “Value & Embrace Diversity, Equity, Inclusion and Belonging” at the Juneteenth & Multicultural Event at the EVGR Pub and Pavilion. This event provides an opportunity for us to spend time together and to celebrate our service excellence this year and look forward to continued dedication and accomplishment in DEIB in the months to come.

Come and enjoy live music, food and festivities and support worthy local causes including WeHOPE and more. Items for donation can include essentials such as toothbrushes, toothpaste, laundry detergent pods, protein bars and non-perishable foods. Additionally, learn how you can pledge your support or participate in volunteer opportunities to create a life-changing impact for those in need.

Grab your R&DE “Passport” and visit the cultural education tables where you can learn more about the cultures and experiences of R&DE staff, learn a new dance, try your hand at trivia and participate in our community outreach efforts. Get your passport stamped at each station and qualify for a prize drawing.

This event is all about celebrating our diversity and we invite everyone to be a part of our rich tapestry. In addition to attending, we are looking for R&DE staff who are able to help us make this a fun and educational event. In particular, we are looking for staff who can:

- Lead a group in learning/performing a cultural dance (e.g., line dance or other group dance activity)
- Share family or cultural mementos and artifacts
- Host cultural trivia
- Staff our WeHOPE and community causes donation station

Please contact Frank Larteri III by 5 PM Monday, June 26th if you are able to help with this aspect of the program.

For those who may use a golf cart, a limited number of spaces will be available on-site near EVGR Pavilion. Please follow the navigational signs on Campus Drive to be directed to this designated parking area. For those who may use a personal vehicle, parking will be available at the Manzanita Field Garage (“C” Permit required for personal vehicles). The Marguerite shuttle also offers transportation to EVGR from most campus locations. You can find a map of the Marguerite routes on the Stanford Transportation website.

Thank you for making the 2022 – 2023 academic year a huge success.
