There are a number of procedures and fees associated with the use of campus auditoriums, classrooms, and outdoor spaces. Because our campus meeting spaces are used heavily during the summer months, conferences must submit their Event Space Request Forms on a timely basis to Stanford Conferences for processing. Subsequently, Stanford Conferences will submit the processed requests to the Office of the University Registrar or to the appropriate departmental scheduler for final approval.

Fees associated with the use of campus meeting spaces may include, but are not necessarily limited to, the following:

- Rental of audio-visual equipment and technician support from Stanford University Event Services (ES).
- Rental of tables, chairs, and trash cans from ES.
- Unlocking and locking of classroom buildings through UG2 Services (UG2).
- Cleaning classrooms, auditoriums, and adjacent bathrooms (UG2).
- Cleaning outdoor spaces such as courtyards, groves, and athletic fields (Grounds).
- Fees for use of athletic fields.
- Fees for use of specific classrooms.

The services listed above will be billed by the respective service provider and, subsequently, charged to your conference account.

AUDITORIUMS
An Event Services Media Technician must be present for the duration of an event held in an auditorium, including rehearsal, setup, and takedown periods. The technician's duties usually include unlocking and locking the building and supporting equipment in the auditorium. Fees for technician services are as follows:

- Weekdays (6 AM to 4 PM): $105/hour Base Rate
- Weekdays (4 PM to 10 PM): $125/hour Premium Rate
- Weekends (6 AM to 10 PM): $125/hour Premium Rate
- University Holidays (6 AM to 10 PM): $125/hour Premium Rate
- Anytime between (10 PM and 6 AM): $160/hour Overnight Rate

Additional information on equipment rental fees and technician rates is available on the ES webpage: https://lbre.stanford.edu/event-services/equipment-services/staffing-labor-rates

Conference organizers are urged to request estimates for all services as prices are subject to change.

CLASSROOMS
All requests for conference use of classrooms are submitted to the Office of the University Registrar by Stanford Conferences and will be accommodated only after the scheduling of Stanford Summer Session classes has been finalized. Based on information received from the Office of the University Registrar, UG2 (the University’s custodial contractor) is responsible for unlocking and locking classroom buildings.

CUSTODIAL SERVICE
Custodial cleaning of classrooms and adjacent bathrooms is also required when classrooms are used. Fees for performing this service are as follows:
- Weekdays (8 AM to 5 PM): $ 11.10 per reservation
- Weekdays (before 8 AM, after 5 PM): $ 92.46 per reservation
- Weekends: $ 138.70 per reservation
- Holidays: $ 231.18 per reservation

Since many of the auditoriums and classrooms are used by multiple groups on any given day, it is essential for your program to adhere to its scheduled time in each space.

BUILDING/CLASSROOM ACCESS
Access Keys are not available for academic buildings and classrooms. Custodial personnel open and lock Buildings and classrooms on a pre-arranged schedule. If you have written confirmation for using a classroom and find that the building is locked, contact your Conference Account Coordinator immediately.

OUTDOOR SPACES
Breaks, lunches, dinners, performances, and receptions are often held outdoors. All outdoor spaces require
cleaning by the Grounds Department after the event, regardless of the number of people in attendance. Outdoor event furnishings/equipment such as tables, chairs, umbrellas, trash cans, recycling containers, stage units, and sound equipment can be rented daily from ES. All rented equipment is subject to a delivery charge in addition to the daily rental rate. Rates vary based on when the furnishings/equipment are needed (i.e., weekday vs. weekend, daytime vs. evening). Conference organizers are urged to request estimates for all services as prices are subject to change.
