WELCOME HOME!

The entire Residential & Dining Enterprises (R&DE) team is excited to welcome students to campus. We are fully committed to helping you settle into your new home – the place where you will live, eat, study, and more while here at Stanford – and to providing excellent service and support during the coming year.

Please take time to read and review the information in this brochure, which contains practical information and important guidelines that will help as you begin to find your way around. Your Housing Service Center Supervisor and Housing Building Manager are your primary resources for any housing-related needs. The *Housing Service Center*, in particular, is your one-stop help desk for check-in and checkout, housing communications, campus information, and many other services. Please look for emails and newsletters from your Housing Service Center Supervisor, your Housing Building Manager, and the Housing Assignments team throughout the year. We will communicate important deadlines (such as the undergraduate Winter Break closure) and special events via email and on the R&DE Student Housing website, studenthousing.stanford.edu.

Should you need any repairs in your room or apartment, please submit a Fix-It request at fixit.stanford.edu so our maintenance staff can promptly remedy the issue. For any other housing-related questions or issues, please contact your *Housing Service Center* staff.

We invite you to Build a Sustainable Future with us; live sustainably on campus! Our award-winning Cardinal Clean system is used to clean and sanitize all undergraduate residence halls. Stanford is the first U.S. campus to provide access to this powerful and green cleaning solution for free! Not only is it useful for cleaning and sanitizing, but it can also be used for laundry with our “Just Like Home” laundry program, which provides unlimited use of residence washers and dryers without coins or cards. Finally, the last page of this brochure has guidance on effectively sorting your waste as we strive toward the campus Zero Waste goal by 2030. Check out more sustainability information in this brochure or on our website at <https://rde.stanford.edu/studenthousing/sustainable-living>.

R&DE Stanford Dining, Hospitality & Auxiliaries (SDHA) is *Committed to Excellence* by providing meal programs that support the development of communities within residences and across neighborhoods. R&DE SDHA meal plans offer the highest quality food at significant value, as well as flexibility in dining across campus to create new connections and allow students to engage in intellectual and lively discussions over meals with each other, faculty, and members of the Stanford community. R&DE SDHA prides itself on providing *nutritious, sustainable, and delicious* food choices — embodying the *Menus of Change Principles*, as part of its leadership of the *Menus of Change University Research Collaborative* — to meet the wide variety of dietary needs within our diverse Stanford community. The *Eat Well @Stanford program* provides support to students dining with food allergies, religious requirements (including kosher and halal), medical needs, vegan/vegetarian diets, and other nutrition-related concerns. For more information on navigating your dietary needs in the neighborhoods, please contact nutritionist@stanford.edu.

We encourage you to learn more about your award-winning SDHA program by visiting the *Stanford Dining website* at rde.stanford.edu/dining for details on nutritional support, halal, kosher, food-allergy accommodations, and more. You can also reach out to a member of the SDHA team - the chefs, managers, and nutritionists are here to assist you.

R&DE Stanford Dining, Hospitality & Auxiliaries (SDHA) takes immense pride in nourishing the diverse Stanford community through exceptional culinary experiences, fostering a sense of community and enriching students' academic journey.

Across campus, SDHA commitment to Culinary Excellence creates a high-quality dining experiences that provides the highest quality food at significant value, as well as flexibility. The Eat Well @Stanford program provides support to students with food allergies, religious requirements (including kosher and halal), medical needs, vegan/vegetarian diets and other nutrition related concerns. For more more information on navigating your dietary needs in the neighborhoods, please contact nutritionist@stanford.edu.

Take a moment to explore all SDHA has to offer at dining.stanford.edu and hospitality.stanford.edu.

R&DE SDHA's CleanDining program builds upon the already high standards of food safety and sanitation in the dining halls, utilizing the industry's best practices and enhanced cleaning protocols. The goal of SDHA's CleanDining program is to provide students with reassurance of the safety of their dining experience and create a focus on enhanced cleanliness that will be visible to students. You can find information about measures we are taking to keep students and staff safe on the *CleanDining* program page at rde.stanford.edu/dining/food-safety#cleandining program page.

We encourage you to learn more about your award-winning SDHA program by visiting rde.stanford.edu/dining for details on nutritional support, halal, kosher, food-allergy accommodations, and more. You can also reach out to a member of the SDHA team - the chefs, managers, and nutritionists are here to assist you.

Best wishes for a successful start in your academic endeavors at Stanford, and for a terrific, worry-free residential living and learning experience on The Farm.

Again, from all of us in Residential & Dining Enterprises, "Welcome Home!"

BUILDING AND ROOM ACCESS

You probably want to settle in quickly to meet new friends, explore the campus, or get a head start on the new academic year. So, we compiled this guide with helpful move-in information and advice to stay safe and secure in your new living environment. More information can be found in the “Moving In” section of our website at movein.stanford.edu. Also, please refer to the Residence Agreement for a complete list of policies and procedures.

As you move in, take some time to familiarize yourself with your housing complex and neighborhood. Learn the location of the emergency exits and the Emergency Assembly Point for your building. Locate the many common areas available to you — lounges, computer clusters, laundry facilities, recreational areas, and meeting rooms. And consider yourself at home.

SECURITY AND ACCESS

The Stanford campus is beautiful and reasonably safe. Our mission at R&DE Student Housing is to maintain our residences and grounds as a safe, secure, and comfortable living and learning environment conducive to all students’ academic success and well-being.

Residential buildings are locked 24/7 and accessible only with a key or access card (SUID), which also provides access to your room and designated common spaces. You will use your Stanford ID card to enter buildings with card access.

LOST KEYS

You are responsible for the keys issued to you. If a key is lost, the locks will be changed and your account will be charged a fee to cover the replacement lock cores and keys. Please report all lost keys immediately to your Housing Service Center. When the Service Center is closed, report all lost keys to our after-hours hotline (650) 725-1602. For everyone’s safety, only an R&DE Student Housing locksmith may repair/re-key your locks. If your key is damaged, please return it to your Housing Service Center for a free replacement.

LOCKOUT ASSISTANCE

If you are locked out, your Housing Service Center staff can let you into your room or apartment during normal business hours. After hours in undergraduate housing, you are encouraged to contact your Resident Assistant (RA) for room entry. Undergraduates who call our after-hours hotline (650) 725-1602 for lockout assistance after the Housing Service Center is closed will be assisted by a member of the R&DE Community Access Response Enterprise (CARE) team. A Stanford ID or government-issued ID must be presented to receive lockout assistance. Please note that there is a \$45.00 fee for lockout assistance provided via the CARE team.

REMEMBER:

- Please report lost keys immediately to your R&DE Housing Service Center.
- If you are locked out of your room or apartment:
 - During normal business hours, your Housing Service Center staff can let you in.
 - After hours in undergraduate housing, contact your RA for room entry.
 - Students can also call the after-hours lockout assistance hotline at (650) 725-1602. (Fee: \$45.00).

LOST/DAMAGED SUID CARDS

Damaged SUID cards will not work for building access. To prevent damage, avoid:

- Machine washing your SUID in clothes pockets.
- Exposing the card to direct heat (e.g., from a clothes dryer or direct sunlight on a car dashboard).
- Punching holes in your SUID card.

Lost or damaged SUID cards may be replaced (for a fee) at the ID Card Office in Tresidder Memorial Union.

REPORT PROBLEMS

Should you discover any malfunctioning card-access equipment or any other problems with doors, please notify your Housing Service Center, file an online Fix-It request, or after 5:00 p.m. weekdays or any time on weekends, call the Emergency Maintenance Hotline at (650) 725-1602.

KEEP YOUR RESIDENCE SECURE

DO:

- Get to know your fellow residents.
- Lock your doors and windows and make sure residence doors latch behind you when you enter or leave.
- Have your key/access card (SUID) handy when approaching your residence.
- Replace lost or damaged cards (for a fee) at the ID Card Office in Tresidder Memorial Union.

DON'T:

- Allow “tailgaters” to follow you into your residence.
- Prop open residence doors.
- Share your key or access card (SUID) with anyone.

LIVING ON CAMPUS

R&DE MOVE-IN TIPS

1 COMPLETE YOUR ROOM CONDITION FORM

Complete a Room Condition Form or apartment-inventory checklist detailing the condition of your room or apartment and its contents. That way, you won't be charged for a pre-existing problem when you move out. If you don't complete and submit this form, we assume that you found no damage or missing furniture in your room.

Undergraduates: Complete the online Room Condition Form (rcf.stanford.edu) **within five days of checking in.**

2 REPORT ANY PROBLEMS

We worked hard to prepare your room or apartment for your arrival. Should you find any items that require repair or attention, please **submit an online "Fix-It" request** at fixit.stanford.edu so our maintenance staff can address the issue promptly. For serious problems, such as a door that cannot be locked, a flood, or a backed-up sewer line, please call (650) 725-1602.

3 CONSIDER RENTER'S INSURANCE

Stanford University does not carry insurance covering personal property. If your family homeowner's insurance plan doesn't cover your personal property from loss, damage, or theft, consider buying renter's insurance. The university is not liable for, nor does it assume, any responsibility for theft, destruction, malfunction, failure, or loss of money, valuables, or other personal property.

4 CHECK YOUR EMAIL OFTEN

To comply with privacy protocols and ensure we are communicating with the intended individual, R&DE Student Housing corresponds with residents using official Stanford email addresses. Please use your Stanford email address for all official correspondence and check your email regularly for important incoming messages.

5 BED LOFTING/BUNKING (UNDERGRADUATE RESIDENCES ONLY)

Most beds in undergraduate residences are set at the highest level of the headboard to provide maximum flexibility and storage space. In some places it is also possible to bunk or loft beds. For instructions, visit lofting.stanford.edu. Contact your Housing Service Center for information on checking out lofting materials (headboards, rails, bolts, pins) and tools. Supplies are available on a first-come, first-served basis. **Non-university provided bunks or lofts are not permitted in any residence.**

6 MATTRESSES

Our mattresses are specially designed with "plush firm" and "extra firm" sides to accommodate a wider range of sleep preferences. If your mattress feels uncomfortable, try flipping it over to the other side.

7 LAUNDRY

Our Just Like Home laundry program gives students unlimited use of environmentally friendly washers and dryers. No coins or cards are required as the cost is included in your housing fees. Laundry supplies and detergents are not provided.

- Download the SpeedQueen app to see which machines are open, and to monitor the time left on any machines you are using.
- **Please be sustainable and wash only full loads.**
- Report any equipment malfunctions through fixit.stanford.edu or to your Housing Service Center.

YOU'VE GOT MAIL (AND PACKAGES)

UNDERGRADUATE RESIDENCES

Mail and packages for students living in undergraduate housing, including EVGR-A Duan Family Hall and the Row, will be available for pickup at the Tresidder Package Center or at one of the Smart Lockers on campus.

Read more about mail and package delivery on the R&DE website. rde.stanford.edu/studenthousing/mail-deliveries or ug2.com/stanford

The package and mail center's hours of operation are:

- Monday - Friday: 8:00 a.m. - 8:00 p.m.
- Saturday: 10:00 a.m. - 6:00 p.m.
- Sunday: 10:00 a.m. - 2:00 p.m.

Please be sure to follow this addressing standard to ensure proper processing of your delivery and quick notification of its arrival.

Your address for all mail and packages:

*Student first and last name - SUNet ID (place your last name and SUNet ID in the last name field for online forms)
459 Lagunita Drive (address line 1)
c/o Stanford Tresidder Union Package Center (address line 2)
Stanford, CA 94305*

Example:

Jane Stanford - jstanford
459 Lagunita Drive

R&DE STANFORD DINING, HOSPITALITY & AUXILIARIES

R&DE Stanford Dining, Hospitality & Auxiliaries (SDHA) takes immense pride in nourishing the diverse Stanford community through exceptional culinary experiences, fostering a strong sense of community and enriching students' academic journey. SDHA's commitment to Culinary Excellence creates a high-quality dining experience that promotes well-being, fosters community, and enriches students' academic journey.

Across campus, SDHA offers the highest quality food at significant value, as well as flexibility.

The **Eat Well @Stanford program** provides support to students with food allergies, religious requirements (including kosher and halal), medical needs, vegan/vegetarian diets, and other nutrition-related concerns. For more information on navigating your dietary needs in the neighborhoods, please contact nutritionist@stanford.edu.

Take a moment to explore all SDHA has to offer at dining.stanford.edu and hospitality.stanford.edu.

Follow us on Instagram:

[@stanforddining](https://www.instagram.com/stanforddining)

DINING HALL MEAL PLANS

Students can use their meal swipes for breakfast, brunch, lunch, and dinner meals in any open dining hall. Visit rde.stanford.edu/dining/dining-locations-hours for more information. **Meal Plan Dollars** may be used at select SDHA cafés and markets or any dining hall location, including all late-night operations. **All undergrad students living on campus (except in Mirrielees) are required to be on a meal plan, but students can switch their meal plan online during the first three weeks of each quarter.** The default meal plan for all undergraduates for fall quarter is 15 meals per week. Your meal plan will be added to your account and SUID card prior to your arrival on campus.

CAFES, MARKETS AND MORE

R&DE STANFORD DINING, HOSPITALITY & AUXILIARIES (CONT.)

R&DE Stanford Dining, Hospitality & Auxiliaries (SDHA) offers an array of fresh and flavorful food options at its cafés, markets, and athletic concessions on campus, from “the best burgers on The Farm” at the Axe & Palm to global inspired cuisine at the Forbes Family Café and an array of sweet treats at Decadence in Tresidder Memorial Union. All locations offer vegan and vegetarian options. For a complete list of locations, visit hospitality.stanford.edu/locations.

All R&DE SDHA cafes, markets, and athletic concessions accept Cardinal Dollars, cash, credit cards, and Google Pay/Apple Pay. Stanford students with a valid ID are exempt from sales tax for food purchases in Stanford-owned-and-operated cafés and markets.

Undergraduate Meal Plan Dollars are accepted at select R&DE cafés and markets. For more information, visit cardinaldollars.stanford.edu.

STANFORD FOOD INSTITUTE INTERNSHIP PROGRAM

Apply for the Stanford Food Institute Internship program. This is your chance to make an impact on the university's food program, learn about the food system, and gain a wealth of real-world experience in dining operations: equitable procurement, values-based menuing, climate-smart food choices, student engagement, nutrition and food choice architecture, allergies and inclusive diets, culinary excellence and innovation, global cuisines, DEI initiatives--and beyond. In this year-long program, you'll start by diving into a behind-the-scenes tour of SDHA's award-winning, pioneering food program, and you'll leave having contributed to real-world problems and projects that truly make a difference.

Visit rde.stanford.edu/dining/stanford-food-institute/internship

GETTING CONNECTED

INTERNET ACCESS (LEARNING TECHNOLOGIES AND SPACES)

For internet access, register your computer on Stanford's network.

- Simply turn on your computer, connect to the wired or wireless network, and open a web browser.
- For help with connectivity problems, contact the Peer Technology Specialist (PTS) or visit thehub.stanford.edu/services/peer-technology-specialists.
- R&DE Student Housing recommends the use of smart power strips for electronic equipment.

STUDENT AFFAIRS

UNDERGRADUATE RESIDENTIAL EDUCATION

The essential conviction of Residential Education (ResEd) is that living and learning should be integrated, not separate; that formal teaching, informal learning, and personal support in residences is integral to a Stanford education. The undergraduate residential experience is designed to foster diversity, equity and inclusion, health and well-being, belonging and community, and intellectual and personal growth. The ResEd team includes live-in Resident Fellows and student staff, as well as professional staff in each neighborhood including Neighborhood Program Directors, Resident Directors, and Community Coordinators, who all provide support to students.

Residential Education programs and events complement the academic curriculum to provide:

- Opportunities for students in undergraduate residences to learn from each other, from faculty and staff members, and from visiting diplomats, artists, and scholars.
- Popular house activities, including faculty dinners, mini-courses and study groups, film screenings, and field trips. For more information, visit resed.stanford.edu.

GETTING AROUND CAMPUS

STANFORD TRANSPORTATION

Parking a private vehicle on campus requires a permit and most lots are restricted to specific permit holders. Available parking spaces can be difficult to locate. Why not leave your car at home and use public transportation or your bike instead?

- Information on the freshman parking policy, emergency ride home program, ridesharing matches, car sharing, parking permits, visitor parking, and the free campus shuttle may be found at transportation.stanford.edu.

MARGUERITE SHUTTLE

The Marguerite is a free campus shuttle with over 169 regular stops on and around campus. The shuttle can take you almost any place you need to go, including classroom buildings on the other side of campus and many popular off-campus locations.

- Download a Marguerite route map and schedule or view the live shuttle map at marguerite.stanford.edu.

BICYCLING AT STANFORD

It's no wonder Stanford has been recognized as a "Platinum-level Bicycle-Friendly University" — bicycles are a fantastic way to get around the sprawling campus.

- Make sure to register your bike at project529.com/garage
- Protect your head and brain! Always wear a helmet while biking.
- For information about Stanford Transportation's bicycling program, including bicycle helmet discounts, safety classes, route maps and more, visit bike.stanford.edu.

5-SURE

Students United for Risk Elimination, more commonly known as 5-SURE, is a student-run security escort service that:

- Provides escorts to and from a variety of campus locations, ranging from parties and sporting events to campus residences, libraries, and department buildings.
- Operates 7 days per week during the academic year (not including academic breaks and summer).

Contact 5-SURE at (650) 725-SURE (7873) or visit vaden.stanford.edu/super/programs/5-sure-safe-rides.

YOUR R&DE RESIDENCE AGREEMENT

The Residence Agreement contains critical information, including important dates and your responsibilities as a resident of university housing. Please read the entire Residence Agreement, available online at rde.stanford.edu/studenthousing/residence-agreement-overview. For your convenience, here are five "Must Know" points:

UNDERGRADUATE HOUSING:

1 Locate your contract start and end dates, which can be found in Axxess. All undergraduate contracts end on June 14, 2024, unless you are assigned for summer, graduating, or have been approved for late-stay housing.

2 Winter Break Closure: Undergraduate Residences close for Winter Break on Saturday, December 16, 2023, at noon and reopen at 8 a.m. on Saturday, January 6, 2024. With the exception of the Winter Break Closure, undergraduate residences remain open continuously throughout the contract period, including Thanksgiving week and Spring Break.

3 File a Reassignment Request: Upper-class students can file a reassignment request through their Axxess account. Freshmen seeking reassignment should consult their Resident Director.

4 Want Housing for Summer '24 or the 2024-25 academic year? You will need to apply during Spring Quarter 2024. Information will be available at rde.stanford.edu/studenthousing/stanford-neighborhoods in April 2024.

5 No Sublicensing: Undergraduate residences may not be sublicensed and undergraduate students may not sublicense graduate apartments.

TERMINATION OF OCCUPANCY

- If you are leaving housing before your contract end date, you must apply in Axxess to terminate your occupancy. Note that applying to terminate your occupancy does not necessarily release you from your housing contract. To avoid fees, please see deadlines noted on the chart below. For more information, visit studenthousing.stanford.edu/residence-agreement-overview.
- Undergraduate Housing: If you plan to end your contract before June 14, 2024 because you are participating in an off-campus Stanford program, taking a leave of absence, or graduating, you must apply to terminate your housing in Axxess. No other department or person can apply on your behalf.

Residence Agreement Termination Dates and Fees

If your occupancy ceases at the end of:	And you file a Termination of Occupancy form in Axxess by:	You are charged an Administrative Fee of:
Autumn Quarter	October 27, 2023 or before	No fee
	October 28 to December 1, 2023	\$100
	December 2 to December 8, 2023	\$250
	December 9 to December 31, 2023	\$350
Winter Quarter	January 1, 2024 or after	\$450
	February 9, 2024 or before	No fee
	February 10 to March 8, 2024	\$100
	March 9 to March 22, 2024	\$250
	March 23, 2024 or after	\$450

See Residence Agreement for policy.

R&DE HEALTH INFORMATION

ANIMALS

With the exception of service animals or university-approved support animals, keeping animals of any kind, including fish, in university residences is prohibited.

- Please do not “adopt” the feral cats on our campus.
- Residents with prohibited animals will be charged an administrative fee of \$100 upon discovery and \$100 per day until the animal is permanently removed.
- You could also be charged for any damage or cleaning needs the animal causes, including introducing fleas into the residence.

Students with approval from the Office of Accessible Education to have support animals in their residences agree to comply with all service and support animal policies. For more information, visit rde.stanford.edu/animalpolicy.

DEALING WITH PESTS

Stanford Student Housing has a comprehensive, integrated pest-management program that:

- Educates residents how to prevent, identify, report, and alleviate pest problems in their rooms or apartments;
- Trains staff and provides operational procedures to identify and eliminate sources of pests;
- Responds using protocols to address specific problems brought to our attention; and
- Provides environmentally sound pest control services.

Bedbugs are particularly prevalent in virtually every type of housing, including five-star hotels, hospitals, and college residence halls. Because Stanford is very proactive about this issue, we are fortunate to have had very few cases in the past few years. However, bedbugs can travel in your belongings, so please check your luggage and clothing for bedbugs and their eggs upon first arrival.

For more information on what you should know about bedbugs and other ways to deal with pests, please visit pests.stanford.edu.

SUSTAINABLE LIVING IN R&DE

Sustainability is a core value to Stanford University. For those living on campus, R&DE aims to make sustainability and conservation meaningful and easy to incorporate into residential life. We collaborate with students and staff to offer programs that foster behavior change, reduce energy and water consumption, reduce waste production, and integrate long-term sustainable practices into our operations.

GET STARTED

It's easy to be green here at Stanford. Visit the Student Sustainable Living Guide website studenthousing.stanford.edu/sustainable-living. To get started, follow these tips:

MANAGE WASTE

- We sort our waste to divert as much as possible from the landfill and improve the material's recycling potential. Post the zero waste guidelines on the next page so you always know what goes where.
- Invest in reusable water bottles, coffee mugs, and utensils.

REDUCE ENERGY USE

- Wash laundry in cold water and in full loads for maximum efficiency.
- Turn off lights and unplug electronics when not in use.
- Keep windows closed when heating or cooling your room.
- Limit showers to six minutes. Turn faucets off completely and report leaks via the Fix-it form, fixit.stanford.edu.
- Don't bring a vehicle to campus – Stanford is designed to support bicycling and public transportation within Stanford and the Bay Area with the Marguerite, BART, and Caltrain. Learn more about alternative transportation at transportation.stanford.edu.

GET INVOLVED

- Join the Stanford community at mycardinalgreen.stanford.edu to earn cash incentives for sustainable actions you perform on campus and to learn about campus-wide sustainability efforts and academic opportunities operated by the Office of Sustainability.
- Join a sustainability-minded student group at sustainable.stanford.edu/take-action/student-groups.

Student Housing is committed to green cleaning. Find out how to use Cardinal Clean and pick up an empty spray bottle from your Housing Service Center. Contact rdesustainability@lists.stanford.edu with any additional questions.

SUSTAINABLE DINING

R&DE Stanford Dining, Hospitality & Auxiliaries also has a long history of award-winning sustainability leadership. Our **One Plate, One Planet** vision captures the full breadth of our pioneering sustainable food program, which represents bold, long-term commitments to climate action and racial equity. It celebrates the power of social consciousness, operational innovation, and individual food choices in promoting sustainable food systems. We believe that with each plate we serve, and each meal our students eat, we have the opportunity to create a better future for this planet together. Learn more about our **Sustainable Food Ethos** that guides our purchasing decisions, the positive impact we have through our menu and operations in our **Sustainable Food @Stanford By the Numbers infographic**, and practical tips for **How to Eat Sustainably on Campus** at rde.stanford.edu/dining/one-plate-one-planet.

SORTING WASTE

Stanford has committed to being a **Zero Waste** campus by 2030.

EASY AS 1, 2, 3

1 Tear-out this Zero-Waste Guidelines Page and post it in your room or apartment so that you and your guests always know how to sort your waste.

2 Identify where the landfill waste, recycling, and compost bins or dumpsters are located at your residence.

3 In your room, separate your recyclables (paper, plastics, and glass) from landfill waste and dispose of each in the correct bins or dumpsters.

4 Donate your unwanted but reusable items year round through R&DE's Give and Go Program. Find a place to donate at giveandgo.stanford.edu
